The Origins of the Christmas Card Crime

The Rise of Crime Fiction in Britain

British crime fiction has long been a staple of literary tradition, dating back to the early 19th century with figures like Edgar Allan Poe's influence and the emergence of classic detectives such as Sherlock Holmes. The genre evolved to encompass a wide range of subgenres, including cozy mysteries, noir, and psychological thrillers. Among these, the subgenre of festive or holiday crime stories gained popularity, blending seasonal cheer with suspense.

The Christmas Card Crime is a particularly clever twist within the broader genre. It revolves around the idea that during the festive season—marked by generosity, community, and goodwill—there exists a darker side where deception, theft, or murder can quietly take place. The motif of exchanging Christmas cards serves as a symbolic gesture of connection and goodwill, yet in these stories, it often becomes a conduit for uncovering secrets or concealing misdemeanors.

A typical Christmas Card Crime story might involve:
