Understanding the Phrase: "AA Came to Believe"

The Origins and Context of the Phrase

The phrase "AA came to believe" originates from the Twelve Steps of Alcoholics Anonymous, a guiding framework for recovery. The Twelve Steps are a set of spiritual principles designed to help individuals recover from alcoholism by fostering honesty, humility, and spiritual growth.

The phrase appears in the AA tradition as a reflection of the collective and individual journeys of faith and trust. It encapsulates the transition from doubt to conviction—a fundamental turning point in the recovery process. For many members, this moment marks the realization that they cannot control their addiction alone and that surrendering to a higher power can lead to freedom from alcohol.

The Role in the Twelve Steps

The phrase is most notably associated with Step Two of the Twelve Steps, which states:

“Came to believe that a Power greater than ourselves could restore us to sanity.”

Many individuals entering AA initially grapple with skepticism or even outright disbelief in the concept of a higher power. The process of "coming to believe" involves overcoming doubts and opening oneself to spiritual principles. This transformation is often a profound personal journey, characterized by:
